## PROFILE

Acquired a degree in Computer Games – Modelling and Animation, demonstrating proficiency in various software applications. Adept gamer and artist during leisure, possessing extensive experience across diverse programs. Diligently stay abreast of cutting-edge technology and gaming trends. Maintain optimal health through a disciplined fitness regimen, attending the gym thrice weekly. Cultivate a passion for live music, actively going to concerts and festivals. Devote enthusiasm to the Pokémon franchise, including the Pokémon Trading Card Game, and exhibit a profound affection for Star Wars, characterized by a curated Lego Star Wars Collection.

## EXPERIENCE

### GAME Retail Assistant (Temporary Contract)

*November 2023- January 2024, Hanley Shopping Centre, GAME*

Always delivering a high standard of excellent customer service. Building relationships with the stores local gaming community to ensure loyalty and return custom. Also giving expert gaming knowledge to the store's customers ensuring their expectations have been met.

### Lead Artist & Environmental Artist at In the Shed Games (University Module)

*February 2023- June 2023, Derby University*

As lead and Environmental artist, I crafted a captivating game in unreal engine 5. With proficient in industry standard software, I ensured effective communication and project management skills coordinated the art pipeline. My technical and expertise and artistic flair solidified my position as a versatile and accomplished artist.

### Tesco Checkout Team Member

*December 2019- August 2020, Meir Park, Tesco*

Provide a seamless and friendly shopping experience by welcoming customers with a smile. Offering quick and helpful services, ensuring a hassle-free day for the shoppers. Also provided guidance to enhance their overall experience in a troubling time for many.

### Alton Towers/ Housekeeper

*April 2018 -January 2020, Alton Towers Resort*

Excelled in a part time college job, praised by managers for exceptional cleanliness and service standards. Consistently upheld high room-cleaning standards, ensuring the guests prompt guest readiness. Proactive supported colleagues to meet daily quotas.
